GREAT LAKES ISLANDS ALLIANCE

Healthy, sustainable island communities

Since 2017, the Great Lakes Islands Alliance has been connecting islanders and amplifying their voices. As core functions, GLIA hosts robust **Zoom discussions** every month and the Great Lakes Islands Summit. **All Great Lakes islanders—year-round and seasonal—are welcome to attend!** Our membership is now 200 people from 20 different islands - the crown jewels of the Great Lakes.

Harsens Island, *Michigan, USA*

Great Lakes Islands Summit

A gathering of island member communities, GLIA's Great Lakes Islands Summit enables education, networking, and sharing of ideas in a collaborative space. The Summit rotates between islands, with each event focusing on a different suite of locally-relevant successes and challenges. Visit our website to learn about past Summits and get updates on the next one.

Our Mission

The Great Lakes Islands Alliance encourages relationship building, fosters information exchange, and leverages resources to address shared challenges and embrace opportunities to benefit islands.

Shared Resources

GLIA provides resources, information, data, and tools for island communities on diverse topics including public services, sustainability, education, and more.
